

Rodeo

Don't

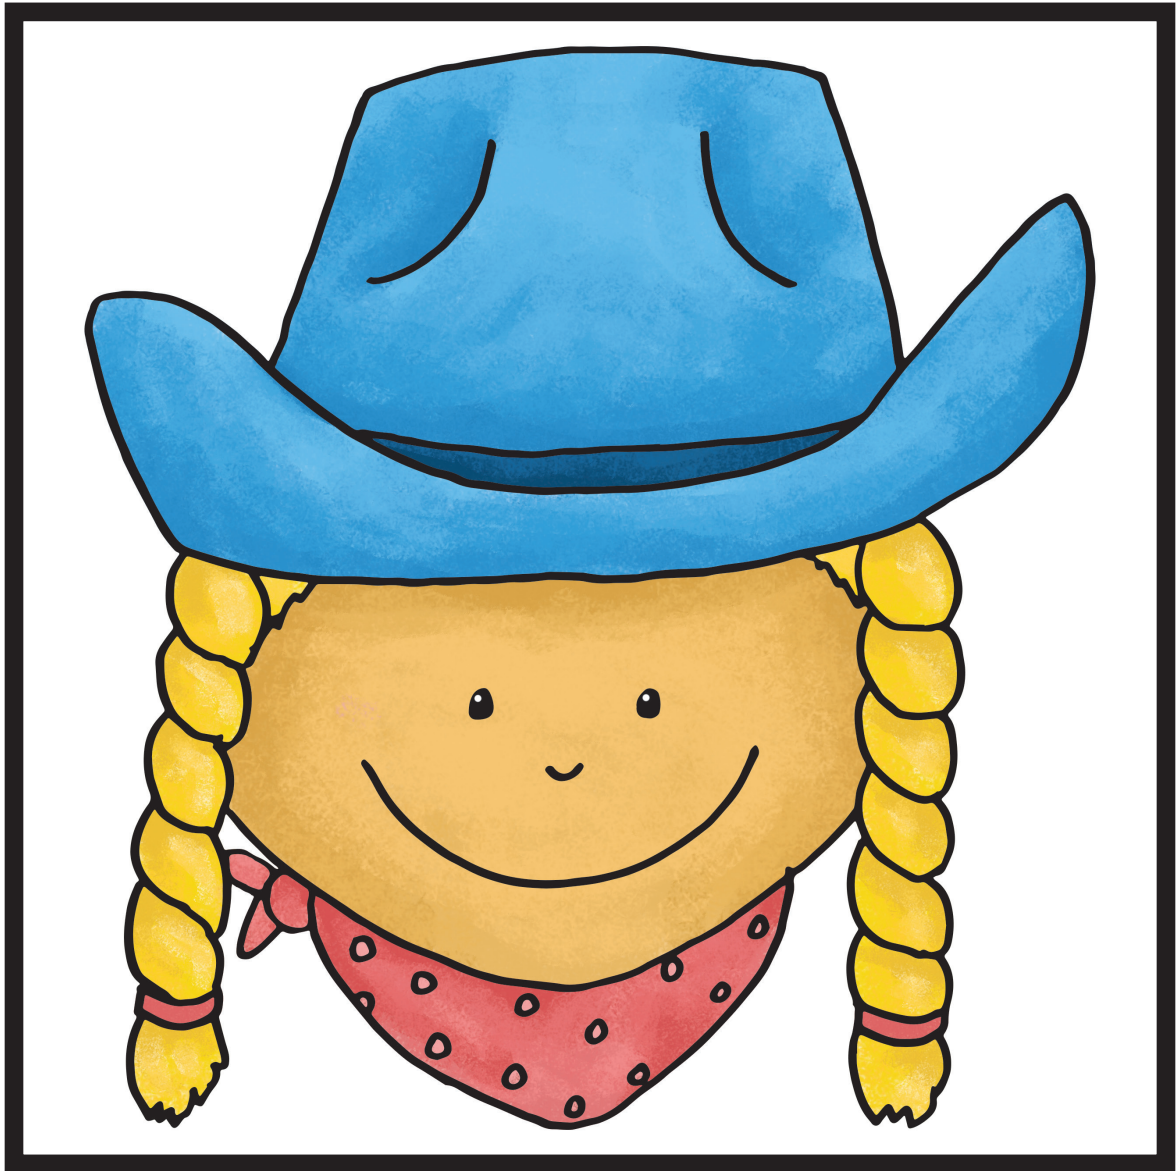

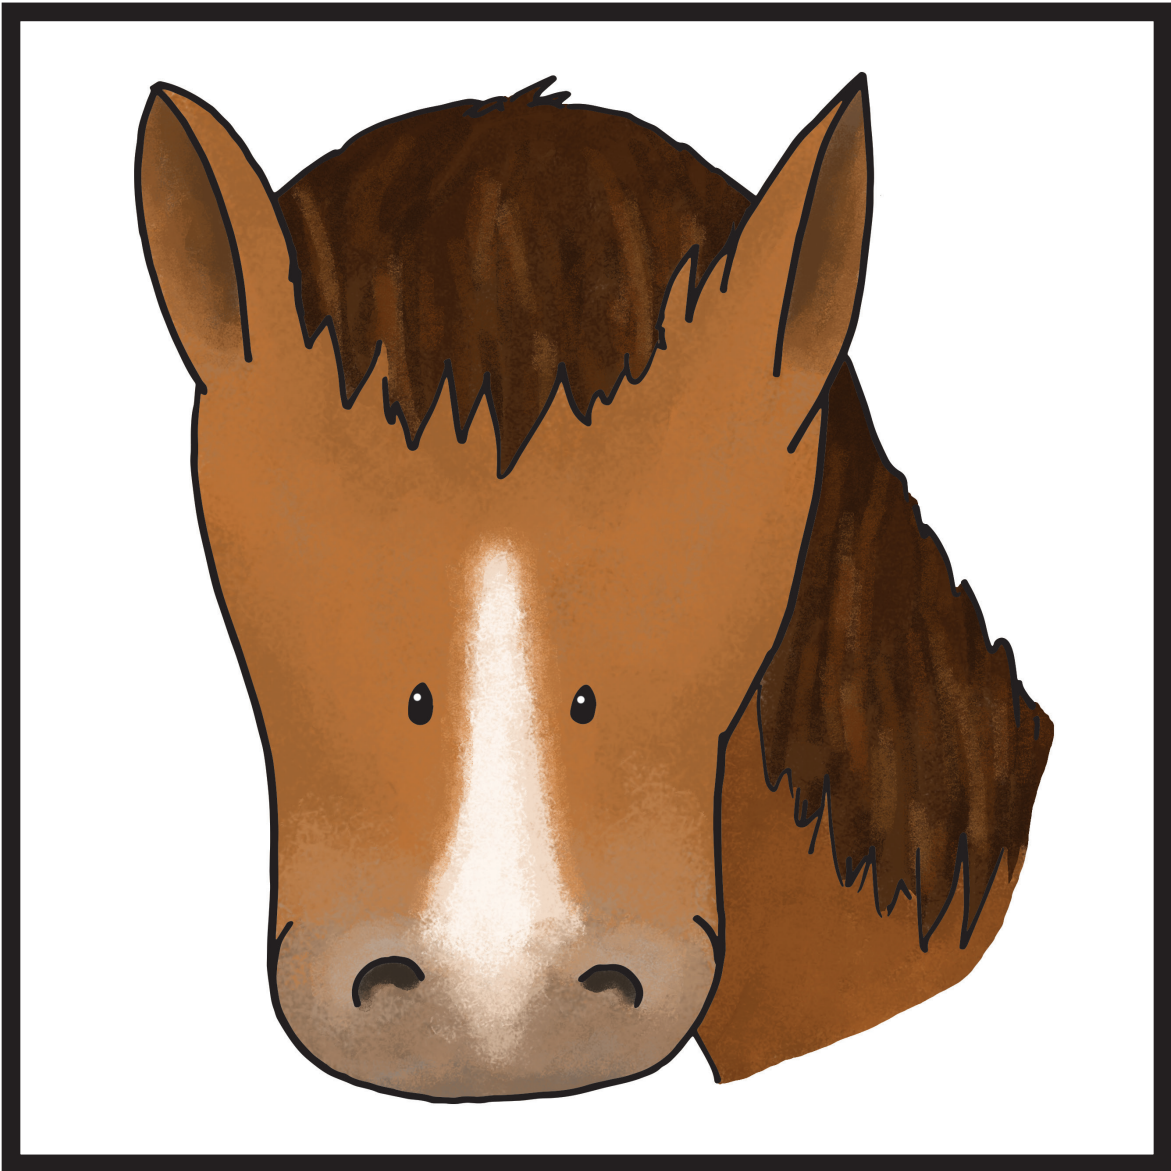

Eat

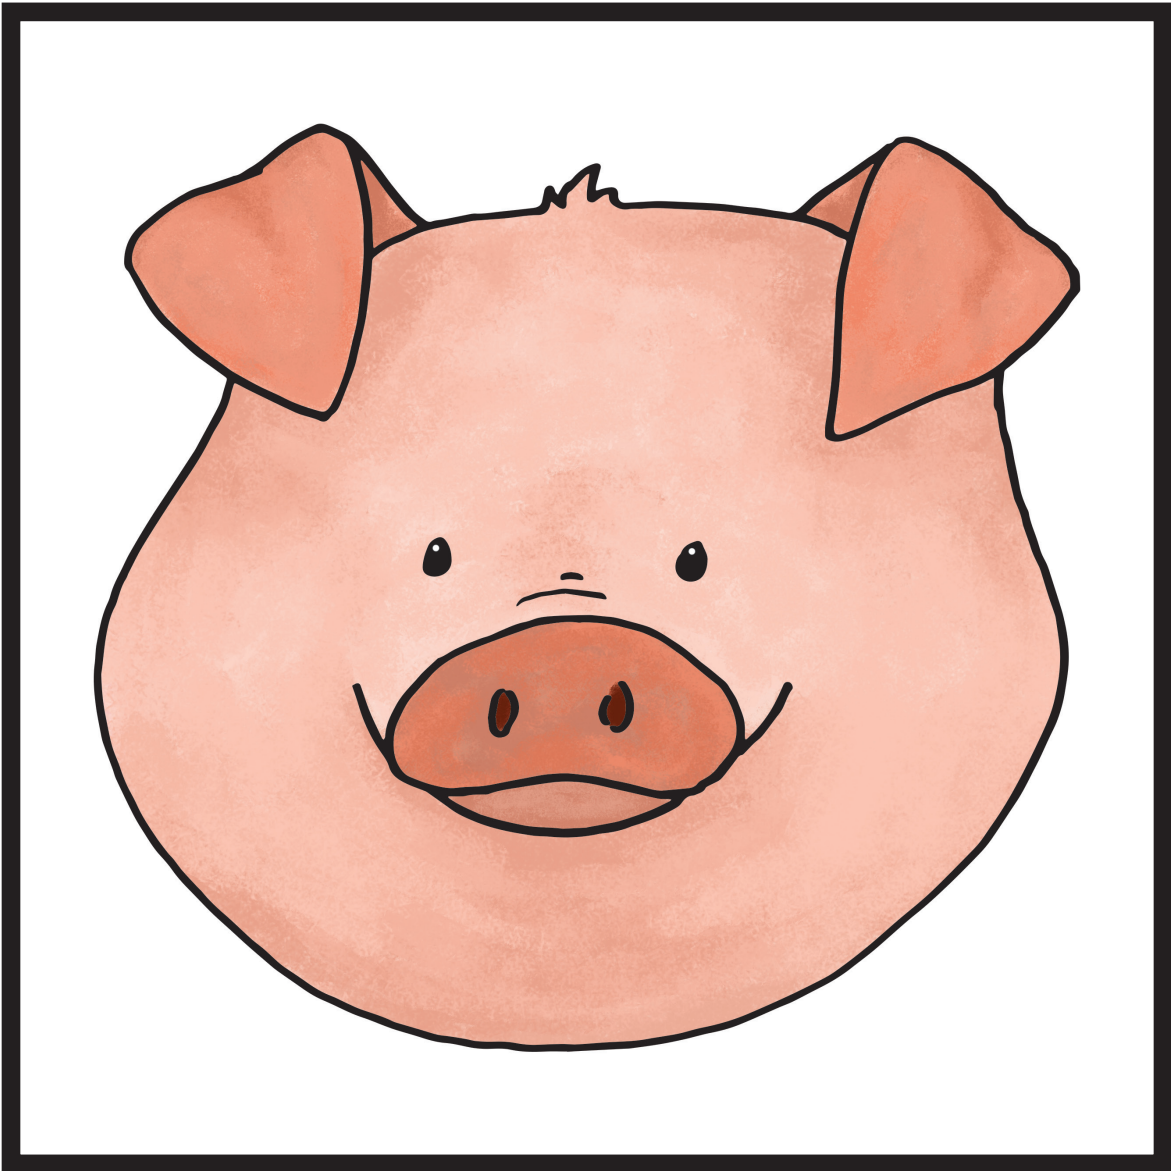

Pete!

Game Instructions

1. Put the game board in the middle and have everyone gather around it.
2. Lay out one piece of candy on each face.
3. Choose one person, like Bobby, to leave the room and cover his ears.
4. While Bobby is gone, the rest of the players secretly choose one of the nine faces to be "Pete" for that round.
5. Call Bobby back into the room. But, shh! Make sure everyone keeps the identity of Pete a secret.
6. Bobby gets to choose one piece of candy at a time while everyone else watches. As soon as Bobby touches the candy that's on Pete, everyone yells as loud as they can, "DON'T EAT PETE!" Then Bobby doesn't get to eat Pete, unless it's the very last piece he touches.
7. Bobby's turn is over. Fill up the board with candy again and let someone else go!
